

# INTERLEASE AFRICA

Experts in tank container leasing

## CONNECTING AFRICA

## OUR FLEET

Interlease Africa offers a wide range of ISO tanks which are of the highest quality, well maintained and conform strictly to the latest international approvals:

**IMO1/T11 (standard):** for most dangerous/ non-dangerous liquids & chemicals, incl. food-grade products; 14 500 to 26 000 litres

**IMO5/T50:** for gases liquefied under pressure (e.g. LPG); 15 000 to 25 000 litres

**IMO7/T75:** for gases liquefied by cooling (e.g. LNG); 17 000 litres

**Swap body (specialised):** 27 000 to 35 000 litres; possible multi-compartments

## ABOUT US

Interlease Africa specialises in ISO tank container leasing throughout Africa. We offer a diverse range of quality ISO tank containers suitable for dangerous and non-dangerous bulk liquids and gases, including automotive fuels and lubricants, chemicals, LNG/LPG as well as liquid food-grade products.

Our customised short- or long-term leasing agreements meet the diverse and ever-changing needs of our customers across a range of industries. We will organise the on- and off-hire and transport from and to the depot (if necessary), as well as cleaning, maintenance and repair.

We guarantee quality, efficiency, reliability and safety at minimal cost. **Contact us today for a free quote!**
